Dear Parents, Carers, Governors, Friends, Staff and Pupils

A NIGHT AT THE MUSEUM

This is a brand new event for the school and is planned on the back of this half term's holiday project.

We are going to create our own "pop up museum" for one night only in December.

The Homework package for the holiday has been distributed separately. Please check your emails for a separate email. In the end we hope to create a history timeline of artefacts for our museum.

These objects will be displayed initially in the classrooms and will be a focus for classroom discussion. On Monday 2nd

December from 3:15pm to 5.30pm, the school will be transformed into a museum. Access will be via the main front door of the school. All the artefacts will have been distributed by the children according to time frame.

Therefore the tour of the museum will begin in early history, travel through a variety of epochs of time before culminating in modern day history.

Starting at 3:15pm means most people should have the opportunity to visit, but it could be far more atmospheric if families return when it is a bit darker. The hall will be in relative darkness with the objects identified by little LED lights, so

that visitors can pin prick the objects with torch light.

The After school club will remain operating as normal but in the Year 1 / 2 classroom.

First Steps coaching will not occur this night.

The visitors will create a human timeline spanning history.

So please put the date in your diary and get a torch ready for a night in the museum, the History of the World a told by Woodmansey Artefacts!

**We must never forget,
for the sake of our
children's future.**

Remembering keeps hopes alive We must never forget

As Remembrance Day falls on a Monday this year, we shall once again be holding a special worship within the school. This will be for all children. The assembly will commence at approximately 10:35am and will include a minute silence at 11am. Later during the day, all classes will walk to the War Memorial to have the opportunity to reflect further on the day.

Poppies and wrist bands will be available in school after the half term holiday.

PARENT CARER SURVEY 2019: PUBLISHED

Parents / Carers should have received the results at the end of the Autumn half term.

The full results of the Parent Carer survey have been published via email. We have used the accounts given to us. If you haven't received the report, please contact the office as we haven't got a

working email for you. This is also a good opportunity to check email contacts are correct as we shall be sending interim reports to these addresses in January 2020.

Thank you again for ALL the comments. It is so important that you can communicate your concerns and thanks.

WITAMY **That's welcome in Polish!**

We have a student from Poland who will be joining us for a two week placement after the half term holiday. Her name is Anna Maria Szczepankiewicz.

She will be based with Ms Eastwood and her team in Foundation. Her fellow students are based in schools across the area. It's a fantastic opportunity for her to work with the children and practise her English and for us all to learn more about Poland and hopefully pick up some new words and phrase too.

Please do pour a glass or make a brew and consider my responses, it is part of our ongoing conversation.

**SPECTATORS
PLEASE REMEMBER:**

1. These are kids.
2. This is *their* game.
3. Coaches and officials are human.
4. This is for fun.
5. Positive cheering is encouraged.

Thank You!

The famous Christmas Tree Assembly, it's a gift to the children.

The start of our Christmas Magic.

Continuing the tradition, there will be a special assembly to welcome the decoration of the Christmas tree and the start of the school's festive preparations.

This will be held on Monday 2nd December. The event is a gift to the children from Mr Lancaster,

and involves a considerable amount of secret preparation!

Unfortunately not everyone can attend, however Governors, Staff, PTFA and Volunteer Helpers are most welcome. The assembly will conclude with the lighting of our Christmas tree. It's a morning to remember.

A Special Meeting for Parents/Carers of the Foundation Stage

On Tuesday 5th at 2.40-3.15pm and Thursday 7th 9-9.30am November parents and carers of Foundation Stage children have been invited to come and see phonics and reading in action in their classroom.

This is a chance to observe and ask about Phonics and Early Reading. Previous groups of parents have found it really enlightening and informative. If you haven't signed up for a session yet please see Ms Eastwood as soon as you can.

We will be doing outdoor PE throughout the winter.

PE IN THE WINTER Keeping warm in outdoor PE for Y1 to Y6

Parents may not be aware, but there will be frequent times that your child will be doing PE outdoors throughout the winter season. Obviously if the weather is either very cold or very wet this would not occur but general winter weather will not be a reason to not play Tag rugby for example.

This means that children will need in addition to their black and white PE kit, outdoor clothes to keep them warm.

Some children have already been a bit chilly in outdoor PE this term as they didn't have anything warm to wear.

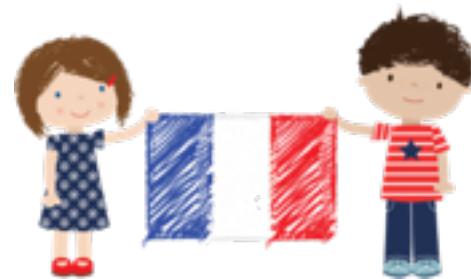

Warm jogging bottoms and tops are probably the most useful. Also it is vital that children have a pair of trainers to wear which must not be the pair that they may be wearing in school.

The children cannot wear their school sweatshirt or cardigan for outdoor PE. It could get filthy if they're on the field and we need them to have suitable school uniform for when they're indoors.
