

MEET THE GOVERNORS

As you may know, Woodmansey CE Primary has not only been through some leadership changes but the Governing Body has seen big changes over the last couple of years. It is important that as parents and carers you are aware of the people within the team that governs the school and what their role is. Governance has taken a different direction in recent years but essentially they are to:

- ensure the school continues to raise standards
- ensure clarity of vision, ethos and strategic direction
- holding executive leaders to account for the educational performance of the organisation and its pupils, and the performance management of staff
- overseeing the financial performance of the organisation and making sure its money is well spent.

Over the coming months, we hope to provide you with a governor biography for each member so you can get to know their faces and understand their role within the governing body.

Andrew Jolley

Safeguarding, Health & Safety and
Premises Committee

As a former pupil I am very pleased to be a member of the governing body of Woodmansey CE School. I attended the school in the 1960s before continuing my education at Longcroft School. I eventually embarked on a career in teaching Chemistry and spent many of my 37 years in education as a senior manager of Hessle High School before retiring in 2016.

In Woodmansey, several generations can be found, in fact both my Father and Grandfather were pupils of Woodmansey CE School too.

I am also a member of Woodmansey Parish Council.

In terms of leisure interests, I am a member of Beverley Golf Club and work as a volunteer at Beverley Rugby Club where I spent many years as a player in my younger days.

It is without doubt a very exciting time for Woodmansey School and I feel proud to be involved in the development and success of the school.
