

# MEET THE GOVERNORS

As you may know, Woodmansey CE Primary has not only been through some leadership changes but the Governing Body has seen big changes over the last couple of years. It is important that as parents and carers you are aware of the people within the team that governs the school and what their role is. Governance has taken a different direction in recent years but essentially they are to:

- ensure the school continues to raise standards
- ensure clarity of vision, ethos and strategic direction
- holding executive leaders to account for the educational performance of the organisation and its pupils, and the performance management of staff
- overseeing the financial performance of the organisation and making sure its money is well spent.

Over the coming months, we hope to provide you with a governor biography for each member so you can get to know their faces and understand their role within the governing body.

Mrs. Sara Fletcher

Vice Chair of the Governing Body

Chair of Curriculum & Quality Assurance  
Committee

I joined the Governing Board having previously served as a Governor in another school. I want to help shape the strategies the school implements and contribute to decisions taken. Professionally, I work with schools, colleges and others, to ensure children and young people are prepared for the future. I believe a high quality primary education is so important in life's journey. This experience helps me in my role as lead Governor for SEND and Pupil Premium, Vice Chair of the Board, Chair of the Curriculum & Quality Assurance Committee and link governor for a number of themes.

I have a long association with Woodmansey Primary, I am a parent of a child in KS2, I have a child in secondary who attended Woodmansey and I was a pupil here myself. I hope my professional knowledge, inquisitive nature, not being afraid to speak up and having a good sense of humour complements the skills and the knowledge of the other Governors.

Outside of work, I like to spend time with family and friends, bike and run though admittedly not far, walk our 'borrow' doggie Stanley and help a couple of charitable groups with their business planning and fund raising.

I want high aspirations for all the children in the school and I am really committed to ensuring all our pupils achieve the best possible outcomes.
