16th June 2021

Dear Parents/Carers,

Exhibition of Work Evenings

Following the announcement from the government on Monday evening that the current restrictions are not to be lifted in the ways we had planned, I have taken the sad decision to cancel the proposed exhibition nights.

As you know, we had already amended the evenings so that they were spread over several evenings, but even so, those plans would not be within the spirit of the guidelines if we were to continue.

I can only apologise for the disappointment caused, but as I explained in the June Newsletter, schools have to operate under tighter restrictions than the rest of society. We will continue to do everything we can to prevent bubbles closing in the lead up to the end of term, knowing the huge inconvenience that would cause for families.

Year 6 parents can be assured that we are continuing with our plans for the final day of term with further changes being made so that we can wave farewell to our oldest children in the way in which they deserve – you may just have to bring an umbrella if the weather is not on our side!

Best wishes as always,

Mrs. B Nicholls
Head of School
